SHRI RAHUL V. KARAD
EXECUTIVE PRESIDENT, MIT-WPU

Dear colleagues,

With the commencement of our new academic session, the initial waves of excitement and anticipation have evolved into a period of profound reflection and ambitious goal-setting. Each Shubharambh, or Auspicious Beginning offers us a valuable opportunity to reaffirm our collective aspirations and recommit to our shared mission. At MIT World Peace University, we firmly believe that education transcends the mere transmission of knowledge; it is about shaping the leaders of tomorrow - those who will drive societal change with compassion, innovation, integrity, patriotism, and a deep sense of purpose.

One of the most significant initiatives at the beginning of our academic year is the Social Leadership Development Program (SLDP). This transformative three-day seminar is designed to inculcate the values of social leadership in our first-year students. SLDP aims to inspire our young minds to become catalysts for change, equipped to address societal challenges with empathy, collaboration, and innovative thinking. Through this program, we emphasise the importance of societal responsibility and the crucial role that effective leadership plays in advancing both national and global progress.

Our commitment to encouraging the dreamers and visionaries of tomorrow is further exemplified by another initiative - R.I.D.E. (Research, Innovation, Development, and Entrepreneurship). This conclave serves as a crucible for nurturing creativity and entrepreneurial spirit among our students and faculty. By providing state-of-the-art resources, infrastructure, and expert mentorship, the symposium is dedicated to advancing new technologies, supporting startups, and fostering a culture of interdisciplinary collaboration.

This year, our 78th Independence Day Celebration was graced by the presence of General (Retd) Dr. Manoj Naravane, the Former Chief of Army Staff, as our Chief Guest, and Major General (Retd) Vikram Dev Dogra as the Special Guest of Honour. Their inspiring words remind us of the sacrifices made for our freedom and the responsibility we bear in shaping the future of our nation.

I extend my heartfelt congratulations to our remarkable athletes—Neeraj Chopra, Manu Bhaker, Sarabjot Singh, Swapnil Kusale, Aman Sehrawat, and our Men's Hockey team—on their outstanding victories at the recently concluded Paris Olympics. The exceptional performances of our medalists, coupled with the valiant efforts of the entire contingent, stand as a powerful testament to the dedication, perseverance, and passion that are essential to inspire the 1.4 billion Bharatiyas.

MIT World Peace University is also proud to celebrate another sporting achievement in Table Tennis. We are delighted to share that the top three players in Bharat's Under-19 Girls category are our very own students! Ms. Pritha Vartikar, an FY BBA Banking and Finance student, has achieved Youth Girls Rank 1, Ms. Sayali Wani, from FY BBA Business Analytics, has clinched Youth Girls Rank 2, and Ms. Taneesha Kotecha, also a student of FY BBA Business Analytics, has secured Youth Girls Rank 3. This is perhaps the first time that the Top 3 players in the country are from the same University!

As the new academic year begins on a positive note, I encourage each of you to enthusiastically embrace these opportunities for learning and growth. Let us make this academic year a beacon of new beginnings, where we strive for excellence, innovate for the future, and lead with empathy. Here's to a year filled with growth, learning, and impactful contributions.

Together, let's create a brighter, better tomorrow.

Warm Regards,
Rahul V Karad
Executive President, MIT-WPU

HAPPENINGS

RIDE

R.I.D.E 2024: Five Days of Innovation, Research, and Entrepreneurship at MIT-WPU

R.I.D.E (Research, Innovation, Design, and Entrepreneurship) is the flagship event of MIT-WPU that took place from August 20th to 24th, 2024, where innovators, researchers, entrepreneurs, and students come together to exchange cutting-edge ideas and drive sustainable solutions. This event is more than just a conference it's a dynamic platform that fosters research and creativity, inspiring the next generation of change-makers. Through a series of keynote addresses, research presentations, and panel discussions, R.I.D.E at MIT-WPU nurtures a spirit of innovation and entrepreneurship.

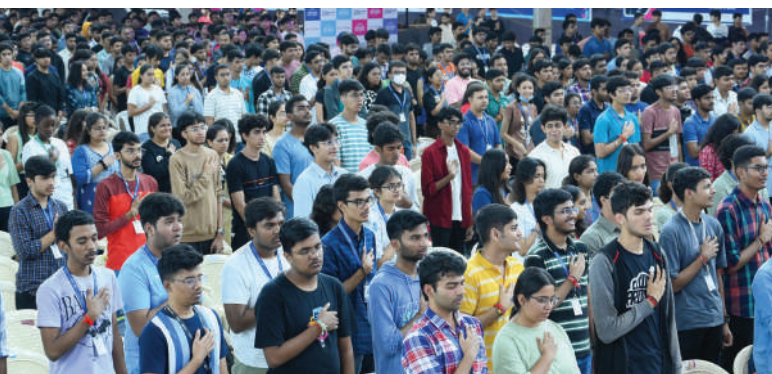

Inaugural Ceremony: A Grand Beginning

The Inaugural Ceremony of R.I.D.E 2024 set the stage for what would be a series of dynamic discussions. The event kicked off with thought-provoking addresses by our keynote speakers, Col. Asheet Nath, Executive Director at C-DAC, and Shri Prakash Bang, a celebrated entrepreneur and business mentor. Their insights were a perfect precursor to the day's engaging sessions.

The Research Session featured notable speakers like Ms. Meera Tenguria, Founder of The Academy of Sustainability, and Mr. Krunal Jagtap, CEO at Hab Biomass PVT LTD. An expert panel, including Prof. Raghu Murtugudde from IIT Bombay, Mr. Subodh Morey of Boston Scientific India R&D, and Mr. Salil Rana from TriNANO Technologies, led an in-depth discussion on the future of innovation and design, moderated by Dr. Neeraj Mahindroo. This day set the tone for what R.I.D.E aims to achieve: fostering a spirit of research, innovation, design, and entrepreneurship.

Day 2: Exploring New Frontiers

Day 2 of R.I.D.E 2024 was a day full of inspiration and knowledge-sharing. We were honoured to host an exceptional lineup of speakers who are leaders in their respective fields. The keynote speakers for the day included

Dr. Priyadarshani Karve, CEO of Clean Energy Access Network (CLEAN), Mr. Shashank Verma, Partner at The Break through Company, and Mr. Sridharan Mani, Founder and Managing Director at Aheesa Digital Innovations Pvt. Ltd. Each speaker brought a wealth of experience and unique perspectives on the challenges and opportunities within their industries, sparking new ideas and fueling innovation among all attendees.

The day also featured an engaging panel discussion with industry experts like Mr. Charan Lakkaraju, Founder & CEO of Student Tribe, Mr. Shivam Singh, CEO & Founder of ExploreiT, Mr. Ripudaman Bevli, Founder of Litter Free India, and Mr. Vimal Panjwani, Founder & CEO of AgriVijay. Their insights into driving sustainable change and innovation were invaluable, leaving the audience with much to ponder.

Day 3: Knowledge and Inspiration

The third day of R.I.D.E 2024 was all about knowledge and inspiration, with industry leaders sharing their expertise. The keynote speakers, including Mr. Maurya Hanspal from JPMorgan Chase & Co, Mr. Ramanuj Singh, Sr. Vice President at Shri Bhagwati Machines Pvt. Ltd, and Mr. Sandip Paul, Chief Industrial Designer & Co-Founder of Paul Studio, provided deep insights into their respective fields.

A highlight of the day was a lively panel discussion on the future of design, sustainability, and innovation. The panel featured Mr. Chetan Sharma from Titan Watches, Mr. Udit Sood from Ecoright, Ms. Chaitsi Ahuja from Brown Living, and Ms. Sneha Ravishankar, a designer. Expertly moderated by Dr. Saurabh Kumar, this discussion was a treasure trove of valuable insights and takeaways.

Day 4: Enriching Experiences and Insights

On the fourth day of R.I.D.E 2024, we had the privilege of hosting thought leaders who shared their invaluable experiences and insights, making it a truly enriching day for all participants. The day began with an insightful address by Mr. Melvin Rufus, Business Head for Pune, Ahmedabad & Nagpur at Swiggy, who provided a deep dive into the strategies that drive success in the highly competitive food delivery industry.

Following this, Ms. CA Rachana Ranade, Founder of Rachana Ranade and Associates, captivated the audience with her expertise in finance and entrepreneurship. Her talk was particularly inspiring for budding entrepreneurs, emphasising the importance of financial literacy and strategic planning in building successful ventures.

The day continued with a captivating fireside chat featuring Ms. Bhawana Bhatnagar, Co-founder of We Founder Circle. She discussed the challenges and opportunities facing startups in today's market, sharing her experiences and offering advice to those looking to navigate the entrepreneurial landscape.

The event culminated in an engaging panel discussion with a diverse group of industry leaders, including Mr. Amod Kulkarni, Founder of The Kapda Project, Mr. Kapel Malhotra, MD & Founder of the Total Solutions Group, Ms. Monica Gupta, Co-founder of Earlyseed Ventures, and Ms. Gauri Kavi, Co-Founder of Swardhara. These panellists brought a wealth of knowledge to the discussion, exploring topics related to entrepreneurship, investment, and innovation, sparking meaningful conversations.

Valedictory Session: A Grand Finale

The Valedictory Session of R.I.D.E 2024 marked the conclusion of our event, celebrating a week filled with knowledge-sharing and collaboration. The day began with a serene Lamp Lighting and Bell Ringing Ceremony, followed by a heartfelt World Peace Prayer and the National Song, setting the tone for a meaningful conclusion.

The Chief Guest, Dr. Anil Kumar Gupta from the Government of India's Ministry of Home Affairs, National Institute of Disaster Management (NIDM), provided a powerful keynote speech, emphasising the importance of resilience and preparedness in today's world. His words were a fitting conclusion to the event, underlining the significance of research, innovation, and sustainable development.

A dynamic panel discussion featuring Dr. Neeraj Mahindroo, Dr. Prashant Iyer, and the organisers of R.I.D.E and the Startup Expo provided further insights into innovation and entrepreneurship.

A special moment of the session was the felicitation of our keynote speaker and organisers, a token of our appreciation for their invaluable contributions. As we conclude this edition of R.I.D.E, we look forward to continuing this journey of learning and innovation with the same enthusiasm and spirit.

Social Leadership Development Program (SLDP)

The Social Leadership Development Program (SLDP) 2024 at MIT World Peace University was a compelling three-day event held from August 12th to 14th, dedicated to nurturing the next generation of social leaders. This program aimed to equip first-year students with the skills and insights necessary to drive meaningful change in their communities and beyond. The event brought together a distinguished group of speakers from various fields who shared their experiences and inspired the students to embrace social leadership.

The SLDP 2024 was a resounding success, culminating in the presence of Shri C. P. Radhakrishnan, Hon'ble Governor of Maharashtra, and Major General Vikram Dev Dogra, AVSM, who provided the closing remarks. Their words of encouragement and wisdom left a lasting impact on the students, reinforcing the importance of leadership, service, and resilience in shaping a better future.

This event successfully embodied the spirit of #WeTheChangeMakers, inspiring students to become ambassadors of hope, innovation, and social change. Through the diverse perspectives of the esteemed speakers and the support of university leaders, students were empowered to take on the challenges of the world with confidence and a commitment to making a positive difference.

Nisargavedh - Ali Bedni Bugyal Trek

Are you ready to embark on an unforgettable journey? Nisargavedh, in collaboration with Giripremi Adventure Foundation (GAF), invites you to the Ali Bedni Bugyal Trek—an experience like no other. From the sprawling meadows of Ali Bedni Bugyal to the breathtaking views of Mt. Trishul and Mt. Nanda Ghunti, this trek promises unparalleled vistas and memories that will last a lifetime. Whether you choose to start your adventure from Pune (26th Dec. 2024 - 04th Jan. 2024) for just ₹26,000 or from Delhi (27th Dec. 2024 - 03rd Jan. 2024) at ₹21,000, this is your chance to witness the grandeur of nature up close, with the awe-inspiring sight of entire mountain faces rising 6000-7000 feet before you.

Don't miss out—seats are limited and filling up fast! This exclusive trek is open only to MITWPU students, staff members, and alumni, so secure your spot by paying the booking amount of ₹11,000 by 5th September 2024. The adventure of a lifetime awaits—confirm your participation today and get ready to make memories in one of India's most spectacular trekking destinations!

Rakshabandhan Celebration: Shubharambh of Strengthening the Bond

The Department of Education celebrated the Rakshabandhan Festival with our Security Staff members on 20th August 2024. The main aim of this activity is to inculcate values, imbibe Indian Culture, support the dignity of labour and gender equality, and respect the endless efforts of our security staff with a small token of appreciation by tying Rakhi as they protect us like real brothers and sisters inside the campus. As we follow the teachings of our beloved Founder President Dr. Vishwanath D. Karad sir regarding "Vasudhaiva Kutumbakam" we feel that we all are part of one family so our students tied Rakhi to all Security Staff Members including ladies staff with lots of joy and pride. This festival was celebrated beyond class, creed, gender and religion. It's a new "SHUBHARAMBH" - the beginning of our relationship which will strengthen the bond between us. This activity was initiated by Asst. Prof. Priya Kale under the Guidance of Program Director Dr. Shalini Tonpe.

MIT-WPU SoEC Partners with Policy Advocacy Research Center

On August 14th, 2024, the MIT-WPU School of Economics and Commerce signed a Memorandum of Understanding (MoU) with the Policy Advocacy Research Center, marking the start of a strategic partnership aimed at enhancing academic and research activities. The MoU establishes a collaborative framework that will facilitate internship and placement opportunities for students, promote communication between academic and administrative personnel for joint seminars, conferences, and research projects, and enable the sharing of academic resources. This partnership is poised to foster academic growth, research excellence, and professional development, benefiting both institutions and their stakeholders.

PSYCHOMETRICIA 2024: A Day of Mental Health Awareness

On August 30, 2024, the AATMAN Club of MIT-WPU, in collaboration with the Department of Liberal Arts, hosted Psychometricia 2024 at the Ganga and Saraswati porches. Over 120 volunteers ensured its success, drawing students and faculty from across departments. Inauguration Ceremony - The event began at 10:20 a.m., with Ms. Sushupti Sathe, founder of Pratiti, cutting the ribbon alongside Dr. Vishal Ghule, acting Dean, Department of Liberal Arts and Mr. Abhijeet Chore, Faculty Incharge, club AATMAN. They toured stalls displaying various psychological concepts. Engaging Stalls and Activities - Psychometricia featured 14 themed stalls across five categories:

- Informative Stalls on topics like Forensic and Health Psychology, offering interactive exhibits.
- Psychometric Activities such as resilience tests and cognitive challenges.
- Game Stalls added a competitive edge with activities like imposter games.
- Registration & Feedback Stalls attracted visitors with fun activities and membership options.
- Sponsorship Stalls included vendors showcasing mental health products and services.

Event Highlights With over 7,000 – 8,000 attendees, the event buzzed with activity. A collaborative mural on the Saraswati porch and a themed photo booth were crowd favourites, embodying the event's spirit of engagement. A Successful Celebration, Psychometricia 2024 celebrated mental health awareness, bringing together the MIT-WPU community in support of AATMAN's mission to destigmatize mental health and promote wellness.

Eco-friendly Ganpati Idol-making Workshop

The Department of Education and Visual Arts at MIT-WPU successfully hosted an eco-friendly Ganpati idol-making workshop. Under the guidance of Dr. Shalini Tonpe, Program Director, Department of Education, Dr. Vishal Ghule, In-Charge Dean, School of Liberal Arts, and Dr. Saurabh Kumar, Dean, School of Design, the workshop aimed to promote environmental sustainability. Assistant Professors Jyoti Tekale and Yogadrum Kelkar served as resource persons, sharing their expertise with participants.

Teachers Day Celebration

The Department of Education at MIT-WPU celebrated Teachers' Day with a vibrant event featuring first and second-year B.Ed. students. The students showcased their enthusiasm and creativity through various songs, activities, and expressions of gratitude for the significant role teachers play in society. They explored the rich tradition of teaching and learning that has been cherished since ancient times.

NET/SET Workshop a Resounding Success

The Faculty of Science and Health Science, in partnership with the Career Development Centre (CDC), successfully hosted a workshop on strategies to crack the NET/SET examinations. The event featured the esteemed Professor Dr. Gajanan Rashinkar, a 20-time NET/SET qualifier, whose engaging and inspiring talk captivated over 180 students from MITWPU and other institutions for nearly four hours.

The afternoon session, tailored to the specific needs of Chemistry students, provided valuable insights into program-related content.

We extend our sincere gratitude to Dr. Nithya Kutti for her excellent emcee duties and to Dr. Wasif Shaikh, Dr. A. Naser Khan, Dr. Deobrat Saha, Dr. Vandana Moose, Dr. Saroj Shinde, Dr. Sanchi Agarwal, and Dr. Vaishali Gaikwad for their invaluable contributions.

A special thanks to Dr. Ganesh Choudhari, CDC Division 3 Coordinator, and Dr. Kishan Prasad Gunale, Head of CDC, MITWPU, for their exceptional management, planning, and coordination of the workshop. We also express our appreciation to all CDC faculty coordinators, Program Coordinators, and Program Directors, including Dr. Shamim, Dr. Ashwin Kuchekar, Dr. Vasi Shaikh, Dr. Anup Kale, and Dr. Neeraj Mahendroo, for their unwavering support and guidance.

Finally, we are immensely grateful to our honourable Pro VC, Dr. Milind Pande Sir, for his invaluable mentorship and support, which made this event a resounding success.

IN THE SPOTLIGHT

National Librarian's Day

National Librarian's Day is observed on 12th August every year to commemorate the Birth Anniversary of Padmashri Dr. S. R. Ranganathan, who is also known as the 'Father of Library Science' in India. On this occasion KRC organised a Staff Development Program for all staff and students of the university on "Healthy LifeStyle Programme by Dr. Seema Dixit, Wellness Manager, Faculty of Peace Studies, MIT World Peace University. In continuation with National Librarian's Day KRC has organised one more Staff Development Program for all staff and students of the university on प्रसंगी अखंडित वाचित जावे by Dr. Sanjay Upadhye, Mentor and Advisor, MIT World Peace University on 30th August 2024.

Staff development programs help to improve employee skills and knowledge and contribute to organisational growth. Employee management teams can create a positive workplace culture and discover in-house talents by implementing effective staff development programmes.

School of Science and Environmental Studies PhD Induction

Induction and Orientation program for newly admitted doctoral students in the School of Science and Environmental Studies in the AY 2024 (Autumn semester) was conducted on 14th August, 2024. School of Science and Environmental Studies (SOSSES) caters to the following 8 PhD programmes: PhD Biotechnology, PhD Microbiology, PhD Biochemistry, PhD Physics, PhD Chemistry, PhD Mathematics, PhD Statistics, and PhD Environmental studies. The event was graced by presence of Dean R & D Prof. Dr. Murthy Chavali and Pro VC Prof Dr. Milind Pande to motivate the young scholars towards their journey of research and innovation. Respective heads of science departments were present and the event was coordinated by Dr. Manasi Mishra (Overall PhD Coordinator SoSES). PhD Coordinators from all departments supported the conduction of the event. Composing all 8 programs, a total 18 research scholars have been admitted in the AY 2024 Autumn semester. Among these 14 are full time scholars who will be receiving Junior research fellowships from MIT-WPU. The PhD programmes at SoSES are gaining popularity with continuous increase in the number of full-time scholars joining the science departments.

Shubharambh Dept of Chemical and Bioengineering

The Student Induction program 'SHUBHARAMBH 2024' was designed to welcome and orient new students to our university, fostering a positive and inclusive learning environment. The purpose of student induction was to orient new students with the university Culture, Values, policies, procedures, resources, and services.

The induction was hosted in two levels i.e., University Level and school level. At university level, university authorities will be addressing students over university central aspects. At the school level, the school officials will be addressing students over school specific aspects.

WASH Synergetic Alliance

Webinar series on **WASH**

Water, Sanitation and Hygiene

#1

**Seeing the Unseen:
Emerging Aquatic Environmental
Contaminants and its Health Impacts.**

DR. SOMA MISHRA

Assistant Professor,
MIT WPU, Pune.

The Student Induction program 'SHUBHARAMBH 2024' was designed to welcome and orient new students to our university, fostering a positive and inclusive learning environment. The purpose of student induction was to orient new students with the university Culture, Values, policies, procedures, resources, and services.

The induction was hosted in two levels i.e., University Level and school level. At university level, university authorities will be addressing students over university central aspects. At the school level, the school officials will be addressing students over school specific aspects.

Dr. Soma Mishra, with her PhD has extensive experience as an Expert Advisor on River Pollution, and will be discussing "Emerging Aquatic Environmental Contaminants and Their Health Impacts." This session promises to provide valuable insights into the impact of these contaminants on public health, making it an essential event for those interested in environmental science and health within the WASH sector.

Decoding Union Budget 2024: Expert Insights

On August 10, 2024, the MIT-WPU School of Economics and Commerce hosted an expert session on "Decoding Union Budget 2024," presented by Prof. K S Hari from the Gokhale Institute of Politics and Economics. Held at Chanakya Hall, the session provided a comprehensive analysis of the Union Budget 2024, focusing on its strategies for economic growth, fiscal policies, infrastructure investments, and social sector reforms. Hon'ble Vice Chancellor Dr. R M Chitnis attended the event, which included a panel discussion that facilitated engaging interactions between Prof. Hari, students, and faculty. The session enriched participants' understanding of economic policies and their implications, fostering active learning and academic collaboration.

MIT-WPU PRODIGIES

EMPLOYEE OF THE MONTH WINNERS - JULY 2024

Santosh Ganpatrao Dhamale

KRC (Central Library)

Mr. Dhamale's dedication, skills, and contributions make him an ideal candidate for recognition. He is commendable for his hard work, long hours, and willingness to assist colleagues. During the recent KRC renovation, he led the book organization, easing the categorization process for everyone. Mr. Santosh Dhamale is an outstanding contributor and having qualities and dedication make him an exemplary choice till date.

Mangesh Adagale

Operations (Travel & Transport)

Mangesh consistently demonstrates exceptional performance, dedication, and a positive attitude, making him a key contributor to the team's success. Recently he exceeded performance goals, ensured no tasks were left incomplete during a colleague's absence as well as maintained a positive approach, even in challenging situations. Mangesh embodies the University's core values and inspires his peers. He is truly deserving of this recognition.

Mrs. Archana Pawar

IQAC

Mrs. Archana has consistently demonstrated exceptional qualities, making her an invaluable team member. She is a quick learner, adaptable to new challenges with ease and efficiency. Her dedication ensures that tasks are completed to the highest standards. Her hardworking nature and willingness to take on extra responsibilities reflect her commitment to the team. She is approachable, supportive, and fosters a collaborative work environment, enhancing team morale and productivity. She is an outstanding performer.

Atul Tanaji Bhaleghare

Physics Department Lab

Mr. Atul is a proactive and dedicated member of the Physics department, efficiently managing the labs for over six years including till date. Known for his friendliness and hard work, he often supports other staff with new ideas, especially in purchasing and accounts. He has excellent knowledge of sophisticated lab instruments and is proficient in MS Office. Mr. Atul has been instrumental in setting up various labs, including photonics and UG/PG labs. His technical skills, combined with his understanding of administrative duties, make him an invaluable asset to the department.

EMPLOYEE OF THE MONTH WINNERS - August 2024

Subedar Arvind Ambre

Security & Vigilance

Mr. Ambre has contributed remarkably well in handling the operational activities of the Security and Vigilance Department. He has liaised with defence and local police for effective security, traffic and parking arrangements during all events like VVIP visits, cultural, sports & more. He has resolved theft cases and curbed students' agitation/Morcha on the MIT-WPU campus by coordinating with ABVP and NSUI. He has liaised with surrounding societies to address citizens' grievances related to construction activity, student atrocities, and sound menace and with the PMC to eradicate Dog menace inside the premises. He ensured zero tolerance of alcohol/drug abuse inside premises and contributed significantly to providing immediate medical aid in emergency cases. He has worked beyond the call of duty to set the security in line on numerous occasions.

Ms. Noella D'souza

Operations (Travel & Desk)

Ms. D'souza has been the central pillar of the entire Travel Desk operation. Whether meeting tight deadlines, efficiently managing bill closures, skillfully negotiating with vendors, or providing unwavering support to colleagues, Noella's commitment shines through in everything she does. In the last month, she contributed to a 13% rate reduction in a new Hotel (Coronet) and tie-up with the same 7% rate reduction with a Hotel (Tip Top International) for MIT's flagship event. Besides, she ensured that with the volume of business given to a vendor, the Service charge was waived off. With 160 Domestic Flight bookings and 5 International flight bookings in the last month, Noella saved close to ₹18,000/- overall. With her meticulous attention to detail, problem-solving abilities and unwavering dedication, she has proved time and again to be an asset to the organisation.

Mr. Ajit Shejwal

Central workshop

Mr. Shejwal has contributed to various Projects where design and programming skills are required. He executed 08 Projects about new job developments on VMC machines for Technical teams e.g. BAJA, Supra, and Aeromodelling, 10 Projects about model development on Laser profiles, 05 Projects about Job design on metal laser machining, and 3 momento developments. He efficiently caters to regular academic tasks along with the added responsibilities given to him. He has contributed significantly through his work, and leadership as an Engineer and Foreman of Central Workshop, MIT-WPU.

Ms. Anita Yadav

Admissions

Ms. Yadav, who works for DIV 2 Admissions, is an extremely self-driven and hardworking person. Her contribution to the Eligibility process of the admitted students from Division II was remarkable and she efficiently completed the admission process for 2023-24 as well. Her most admirable quality is the way she interacts with students and parents – with complete humility and empathy while being professional and positive at the same time. She also completed 100% of Entry in ERP work for MIT-WPU under the guidance of the Assistant Registrar. And, her outstanding contribution led to the successful implementation of the admission process of the students for the current academic year as well.

SHUBHAARAMBH DOODLE BY PRACHEE

"A New Chapter of Student-Life"

Life is an exquisite journey in which each day is a fresh start. "School/College" is a wonderful stage or platform in our lives that we all go through. We are constantly thinking about and eager to go on to the next standard or class at school until we have completed each one. When we graduate from high school or junior college, or after our 12th grade, we are ecstatic about the prospect of starting a new chapter in our lives—college life is almost here, and it's a stunning, unforgettable time when we must decide on a new job.

Being a former student of our university and currently a staff member makes me feel incredibly happy to be here. As we continue to live surrounded by younger generations. Our immediate surroundings are our Bharat's future. Students' renewed enthusiasm is evident, along with their renewed hopes, efforts, and dreams. We can sense the new, pleasant vibes in the air when we see them. We are quite fortunate to be surrounded by this new generation of Bharat; after all, we have all experienced this wonderful stage together.

All students deserve the best for the future, and may this academic year be filled with happiness, development, and amazing experiences. I hope they enjoy this new chapter in their lives and seize any chances that present themselves. We wish a bright and promising start to their educational journey.

Mrs. Jyoti A. Marne

Executive – HR, MIT-WPU

BIRTH OF VIJAYANAGAR:

A Shubhaarambh of South Indian Renaissance

The Vijayanagar Empire's foundation in 1336 CE marked a Shubhaarambh for South India's cultural and political landscape. Born from the ashes of declining kingdoms, brothers Harihara and Bukka Raya established this mighty empire on the banks of the Tungabhadra River. Guided by the sage Vidyaranya, they united disparate regions under a single banner, ushering in an era of prosperity and cultural renaissance.

This auspicious beginning was rooted in a vision of preserving Hindu traditions while embracing innovation. The empire's founders skillfully balanced military might with diplomatic finesse, laying the groundwork for a realm that would flourish for over three centuries. Their judicious governance and patronage of arts and sciences sowed the seeds for unprecedented growth.

The Vijayanagar Empire's inception was truly a Shubhaarambh, setting the stage for a golden age of South Indian history, marked by architectural marvels, literary achievements, and economic prosperity that continue to inspire to this day.

Your Living

Dear Esteemed Readers,

As we wrap up this latest edition of Pulse, themed "Shubhaarambh," meaning new beginnings, I want to extend my heartfelt gratitude and appreciation to each of you. This edition has been a celebration of fresh starts and the excitement of embarking on new journeys.

To every new student joining our university, embracing the challenges and opportunities ahead, and to everyone involved in making this induction festival a success, your enthusiasm and commitment are truly inspiring. Your readiness to explore new horizons and achieve new milestones exemplifies the spirit of growth and discovery.

In this edition, we have shared stories of new beginnings, from students stepping into a world of possibilities to faculty and staff supporting their transition with dedication and care.

As we conclude this edition, I want to thank our contributors for their insightful reflections and to you, our readers, for your support and engagement. Your involvement and feedback are what motivate us to deliver content that is both meaningful and inspiring.

Let us carry forward the spirit of "Shubhaarambh" in our daily lives, embracing the opportunities that come with new beginnings and celebrating the milestones we achieve along the way. Together, let us make the most of these fresh starts and continue to support each other in our collective journey.

Thank you for being a part of this exciting chapter. Until next time, stay inspired, stay engaged, and welcome each new beginning with open arms.

You are living Pulse
