SHRI RAHUL V. KARAD
EXECUTIVE PRESIDENT, MIT-WPU

FOUNDER'S MESSAGE

Social equality is a fundamental pillar of a just and fair society. It ensures that every individual has the same opportunities and rights regardless of their social status, gender, ethnicity, or religion. The belief that social equality is not only a moral responsibility but also a necessary condition for a thriving community is etched in the hearts of everyone at MIT-WPU.

We strive to create an inclusive environment where everyone feels valued and respected. It gives me immense happiness to say that the students of MIT-WPU, have acted as the true ambassadors of the institution by making the campus a place where diversity is celebrated, and differences are embraced. The encouragement to open dialogue and constructive engagement for a better understanding and empathy has been one of the hallmarks of our students, faculty, and staff.

However, we recognize that there is still much work to be done to achieve true social equality. We must continue to challenge discrimination and inequality in all forms and advocate for policies and practices that promote fairness and justice for all.

Let us work together to build a society that is truly equitable and just, where every individual has the opportunity to fulfill their potential and contribute to the greater good. At MIT-WPU, we remain committed to advancing social equality and promoting a culture of inclusion and diversity.

The initiative is led by **Registrar, Ganesh Pokale and HR - L&D head Padmasree Barbora**, with strategic guidance from our esteemed **Honorable Executive President Shri Rahul Karad ji**. It is primarily aimed at non-teaching staff, integrating a structured Adult Experiential Learning Framework with engaging activities to enhance teamwork across departments and foster substantial, enduring professional relationships. Stay tuned for more updates in our next edition, where we will unveil some more details about phase 2 of "Outbound" programme.

I'm thankful to MIT-WPU and Rahul ji for the Outbound activity. I have attended such an activity earlier in other organizations. This activity is organised quite well. I'm not sure if it would be possible to increase the duration as one day seemed to end very fast. However the trainers were very good, there was no rush seen, they executed well. Such activity is very helpful when trained experts, psychologists are successful in showing a mirror to the candidate where he or she finds her true personality. Understanding one's true personality helps at work and in personal life too. one stops blaming others, giving excuses and starts being accountable.

Semester- 1 On campus outbound and Semester-2 Off campus outbound activities should be there.. it's very important.. trainers play a very vital role here.. it's all on trainer and optimization of the activities, too much activities are not important.. I appreciate both trainers of this session as they perfectly balanced the activity.. Furthermore, reporting authority should be given more training and they should be asked to pass learning from their training to subordinates of the University. Thanks to the team for this training.. You have raised our standards of training..

Demonstrating remarkable resilience, she rallied her troops not only from her own people but also from neighbouring kingdoms, forging alliances based on a shared resistance to colonialism. This adept political manoeuvring further bolstered her military strength. With a daring nighttime raid, she drove out the invaders and reclaimed her throne. **Rani Abbakka Chowta's unwavering resistance earned her the title "Abhaya Rani" – the fearless queen –** and cemented her legacy as one of India's earliest freedom fighters, inspiring generations with her courage and unwavering spirit.

स्त्री शक्ति

८ मार्च इंटरनॅशनल वुमेन्स डे. ह्या दिवशी विश्वातील सर्व स्त्रिया गर्वाने हा दिवस साजरा करतात, तो त्यांचा हक्काचा दिवस असतो, पण बाकीचे दिवसांचे काय? एकीकडे पाहता तीच स्त्री वर्षाचे २५४ दिवस छळली जाते, कधी परिवाराकडून, कधी बाहेरच्या कडून तर कधी कामाच्या ठिकाणी. म्हणजे स्त्री कधीच आणि कुठेच सुरक्षित नाही.

आता नवीनच झारखंड मध्ये स्पॅनिश महिला सोबत झालेले सामूहिक बलात्कार (गॅंग रेप) हा खुप महत्वाचा मुद्दा आहे आणि मणिपूर चा कांड हा विसरण्या सारखा नाही. हे तर मोठ्या घटना आहे पण रोज कूटे न कूटे महिलांसोबत अशे लाजिरवाणे कृत्य होतच असतात. मग प्रश्न पडतो की, महिला कूटे सुरक्षित आहे?

७ मार्च १९१३ हा दिवस शिव आणि शक्ती चा दिवस आहे, आणि हा दिवस आपल्याला काहीतरी सांगून जातो. आज हे लिहिण्याचा आणि सांगण्याचा उद्देश एवढाच आहे की, स्त्री कुठल्याच क्षेत्रात कमी नाही. स्वतः शिव हे शक्ति शिवाय नुसते शव होते. सीता एकटी रावणाची सत्ता पलतायला समर्थ होती, आणि सावित्री तर सर्वांना माहीतच आहे, जिने आपल्या तपसेने सत्यवान चे प्राण वापस आणले. त्याचबरोबर, सावित्रीबाई फुले यांनी जी स्त्री शिक्षणाची ज्योत जाळली होती ती आता खुप मोठ्या प्रमाणात उजळली आहे. त्याचे उदाहरण पाहता आजच्या सुशिक्षित स्त्रिया प्रत्येक क्षेत्रात पुरुषांच्या खांद्याला खांदी लावून उभ्या आहेत. आजच्या स्त्री ने भारतात काय तर चंद्रावर सुद्धा आपले पाय घट्ट केले आहे. एकंदरीत पाहता प्रत्येक क्षेत्रात स्त्री ने आपले वर्चस्व दाखवले आहे आणि दाखवत राहणार.

स्त्री शांत आहे याचा अर्थ असा नाही की, तिला काही जमत नाही. ती शांत आहे ते फक्त प्रेम् आणि आदर आहे तोपर्यंत, ज्या दिवशी आदर संपला, त्या दिवशी छळणारे लोक स्त्री शक्ति चा जागर बघणार. स्वतः शक्ति चा क्रोध शांत करायला शिवाला तिच्या समोर झुकावे लागले होते. म्हणून तुमच्या जवळ जी स्त्री आहे, आईच्या, बहिणीच्या, पत्नीच्या, मुलीच्या आणि मैत्रिणीच्या रुपात तिचा सन्मान करा, नुसता आजच्या दिवसापूर्ता नाही तर नेहमी साठी.

Your Living

The heartbeat of MIT-WPU

My dear MIT-WPU Family,

It's been a truly inspiring month to witness MIT-WPU flourish! From environmental summits to national award ceremonies, the energy and dedication have been radiating outward.

This month's theme, "WOMEN- Radiant Resilience," perfectly embodies the spirit I've seen. Being a woman is about embracing vulnerability as a form of strength, allowing one to feel deeply and openly, and understanding emotions are a source of power and not weakness. It's about holding the hands of future generations while dismantling barriers, dispelling myths, and forging new roads.

Stories like Dr. Yogita Hande's and the environmental studies students who presented at NEC 2024 showcase the seeds of brilliance you help cultivate. Their achievements are a fragrant bloom, a beautiful testament to the knowledge and skills they've acquired.

It fills my heart with immense pride to see you all flourish like this over the past month.

Just like a fragrant flower reaching towards the sun, you've been reaching for excellence in everything you do. From hosting the prestigious Bharat Asmita National Awards to facilitating crucial discussions on climate action at EnviroSummit 2024, your dedication to progress is truly inspiring.

The way you empower your students is a testament to your nurturing spirit. The launch of the Career Development Center is like giving them strong roots and the NCS Group's generous laptop donation is like sunshine, helping them grow tall and reach their full potential.

There will be challenges of course, but just like a gardener facing a storm, I know you'll weather them with resilience. You have a strong foundation built on wisdom and a deep commitment to learning.

Keep up the excellent work, MIT-WPU. I will always be here to cheer you on!
