Pulse
THE HEARTBEAT OF MIT-WPU

Monthly Newsletter | JUNE 2024 | Volume 21

SHRI RAHUL V. KARAD
EXECUTIVE PRESIDENT, MIT-WPU

Dear members of the MIT-WPU Family,

Since 2015, June 21 has been designated as the International Day of Yoga, promoting awareness of the enduring benefits of this ancient practice. This year marks the 10th International Day of Yoga, and we are delighted to celebrate with the theme **“Yoga for Women Empowerment.”**

Yoga has always been a part of our culture at MIT-WPU since its inception, as our Revered Founder, Prof. Dr. Vishwanath D Karad, always believed in its prowess. We have been observing this day with all solemnity and sincerity, honoring the ethos of our institution as instilled by our Founder.

This month, our newsletter focuses on the theme, "Yoga and Mental Well-being." Yoga is not just a physical practice; it is a holistic approach to health that includes mental and emotional well-being. In our fast-paced world, stress and anxiety have become prevalent, affecting our mental health. Yoga offers a sanctuary, a way to reconnect with our inner selves and find peace amidst the chaos.

The mental benefits of yoga are profound. Regular practice helps reduce stress, enhance concentration, and promote a sense of calm and balance. It empowers individuals to face life's challenges with resilience and grace. As we unite to practice yoga, let's focus on nurturing our mental health and well-being. Together, we can create a healthier, more balanced, and peaceful world.

I encourage everyone to integrate yoga into their daily lives, not just as a physical exercise, but as a comprehensive approach to enhancing mental health. Let us spread the timeless benefits of yoga and work towards a future where well-being and peace are within everyone's reach.

Warm regards,
Rahul Karad
Executive President, MIT-WPU

DID YOU KNOW?

The 10th International Yoga Day was celebrated with great enthusiasm and reverence at MIT World Peace University (MIT-WPU), marking a landmark event in the university's calendar. This year's theme, "Yoga for Women Empowerment," resonated profoundly with the attendees, highlighting the role of yoga in fostering strength, resilience, and inner peace among women.

The celebration commenced with the arrival of the Special Guest and yoga instructor for the session, Yogacharya Shri. Maruti Padekar Guruji. Accompanied by his skilled team of demonstrators, Guruji led the participants through a series of invigorating yoga exercises. This session was meticulously designed to ensure that everyone experienced the true essence of yoga practice, showcasing its transformative potential for both mind and body.

Following the yoga session, the event featured an inspiring address by the Guest of Honour, Yogacharya Shri. Manoj Patwardhan Ji, Founder of "Manovardhan Yog Sanstha." His speech emphasized the profound benefits of yoga in achieving mental and physical well-being. Shri. Patwardhan Ji's insights into the holistic advantages of yoga resonated deeply with all attendees, motivating them to integrate yoga into their daily routines for personal growth and health.

Adding to the significance of the event, Dr. Vishwanath Karad, the revered founder of MIT-WPU, also addressed the participants. Dr. Karad underscored the role of yoga in fostering inner peace and global harmony, reinforcing the university's dedication to promoting holistic health through yoga. His words served as a powerful reminder of the broader impact of yoga beyond individual well-being, ing on its potential to contribute to societal peace and cohesion.

HAPPENINGS

SNAKE AND SNAKE BITE AWARENESS

MITWPU Department of Education has organized a session on “Snake and Snake Bite Awareness” for Teacher Educators and Teacher Trainees by collaborating with “World for Nature”. Mr. Shubham Pande, Founder President World of Nature explained the risks of snake bite and discussed the remedies along with precautions. He showed the live example of handling and controlling the King Cobra. Mr. Shreyas Pattanshetty, Chief Development officer answered the questions on saving human life from snake bites. The session was organized by Dr. Prasad Kulkarni Head of the Department of Environmental Studies MITWPU and coordinated by Dr. Shalini Tonpe under the guidance of Dr. Archana Chaudhari, Program Director, Department of Education.

SURYA NAMASKAR COMPETITION

The Surya Namaskar Competition was organized as an initiative to promote yoga culture among young students. The event aimed to foster the habit of practicing yoga through a competitive platform. Participants were challenged to complete 121 Surya Namaskars continuously, testing their stamina, strength, and resilience. The competition was open to all first-year students and interested faculty members of the B.COM Programme.

The primary theme of the event was to raise awareness about the benefits of yoga, specifically through the practice of Surya Namaskars. It aimed to encourage students to embrace this ancient tradition and understand its significance in Indian culture. Additionally, the event highlighted the physical benefits of yoga practice, promoting a healthy lifestyle among students.

The competition concluded around 9:45 AM, with over 30 students successfully completing 121 Surya Namaskars. Winners were selected from each department, with three students chosen from FY ACCA, FY AAA, and FY Regular divisions.

We extend our gratitude to Dr. Anjali Sane, the Dean School of Economics & Commerce, for her unwavering support and guidance throughout the event. Her encouragement and assistance were invaluable in making this event a success.

DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH (DSIR) RECOGNITION

MIT-WPU is proud to announce that it has been recognized as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR) under the Ministry of Science and Technology, Government of India for the coming 3 years. This recognition is a significant achievement and a testament to the institute's unwavering commitment to scientific research and innovation. A SIRO recognition signifies that MIT-WPU possesses the necessary infrastructure, expertise, and environment to conduct high-quality scientific and industrial research. This recognition will further enhance the institute's research capabilities and open doors to new collaborative opportunities with industries and other research institutions.

In the SPOTLIGHT

"We all take different paths in life, but no matter where we go, we take a little bit of each other everywhere."

— Tim McGraw

Department of Bioscience and Technology welcomed its alumni for the first alumni meet of School of Sciences and Environmental Studies on 11th May 2024. The farewell for the passing out students was hosted together with this event to facilitate interactions amongst the students for navigating their chosen career paths.

The juniors of Department of Biosciences and Technology (DoBT) had organized a fun filled gala event for the alumni and farewell batches as a part of Departmental meet, which was held at noon before the commencement of formal function. This event was made enjoyable by sharing of several anecdotes by the alumni of their time in the department. Our dear Alumni students shared their views on the real-world experiences they have now gained after passing out from the University. Mr. Shahabaz Pinjari who is currently working as Research Assistant in Agharkar Research Institute shared his views on understanding the importance of sincerity, punctuality and perseverance which as educators we always try to inculcate in our students. Mr Nachiket Garge who is currently pursuing PhD in BITS, Pilani also shared his experiences with the juniors. They all valued the contribution of MITWPU in providing them with an environment that builds necessary skills for success in real world like handling complex situations, learn time management, accountability and progress on their own. They acknowledged the guidance of the professors in their journey.

As the evening approached, we couldn't stop ourselves for immersing in the sheer joy and energy of the students where they sang and danced in joy!! The formal Alumni meet function was organized in Vivekanand Hall in the evening. The function was graced by Prof. Vasi Shaikh, Associate Dean External Affairs, Chief Academic Officer Prof Sanjay Kamtekar, Pro- Vice Chancellor Dr Milind Pande, Emeritus Professor and Director, Center of Excellence-Material Science Dr Bharat Kale, and Dean of Research Prof. Dr. Techn. Murthy Chavali. Anchoring was done by Ayushi Mishra and Taha K from Bioscience department, for which they were guided by Dr. Parineeta Das and Dr. Moumita Majumder. The panellist for interaction included faculty members from all the departments of School of Sciences and Environmental Sciences Dr Pankaj Koparde, Dr Umesh Dubey, Dr Prasad Joglekar, Dr Abdulwasif Shaikh, Dr Shikha Gaikwad and past students.

DISASTER MANAGEMENT

On the 27th and 28th of May, our institution hosted a highly impactful "Disaster Management" training session in collaboration with the Office of the Deputy Controller Civil Defence, Pune. This initiative was taken keeping in mind the prevailing needs and to equip our staff with the essential knowledge and skills needed to handle emergencies and disasters effectively.

The comprehensive training covered critical aspects of disaster management, emphasizing the need for preparedness in educational institutions. The sessions focused on various scenarios, including earthquakes, fires, floods, and stampedes, and provided practical demonstrations on basic first aid, casualty techniques, and bandaging.

We were privileged to have an esteemed panel of trainers (Deputy Controller Civil Defence office (Dy. CCD)) who brought their vast expertise and experience to the sessions:

- Mr. Yogesh Pardesi, Honorary Officer
- Mr. Vivek Naidu, Honorary Officer

TRAINING HIGHLIGHTS

The training sessions were designed to be interactive and engaging, ensuring that participants could fully grasp the concepts and apply them in real-life situations. The following key topics were covered:

INTRODUCTION TO DISASTER MANAGEMENT : PROVIDING A FOUNDATIONAL UNDERSTANDING OF DISASTER MANAGEMENT PRINCIPLES.

- Need for Disaster Management in Schools/Colleges, DM Act 200: Highlighting the legal and practical importance of disaster preparedness in educational settings.
- Methods of Evacuation during Calamities: Offering strategies and best practices for safe evacuation during emergencies.
- Basic First Aid: Including practical exercises on basic casualty handling and bandaging techniques. There was a special focused session on CPR that provided some much needed training.

The training saw an impressive turnout of 231 people, hailing from different departments, encompassing both teaching and non-teaching staff. This broad participation underscored the commitment of our institution to fostering a culture of safety and preparedness.

Feedback from the participants was overwhelmingly positive. Attendees praised the trainers for their clear and insightful presentations and appreciated the practical exercises, which significantly enhanced their confidence in managing potential emergencies. Many participants noted that the training was not only educational but also empowering, providing them with the skills needed to protect themselves and others in the event of a disaster.

The "Disaster Management" training session was a resounding success, marking a significant step forward in our institution's commitment to safety and preparedness. The collaboration with the Office of the Deputy Controller Civil Defence, Pune, proved invaluable, bringing expert knowledge and practical skills to our staff.

We extend our heartfelt thanks to the trainers, participants, and HR L&D team who made this event a remarkable success. We look forward to continuing this initiative and further strengthening our community's resilience against disasters.

CDC : YOGA AND MEDITATION

Yoga and meditation offer numerous benefits to students that can significantly enhance their overall well-being and academic performance. At CDC we believe it helps with Stress Reduction, Improved Concentration and Focus, Emotional Regulation, Better Sleep Quality, Increased Self-confidence, Mindfulness and Enhanced Problem-Solving Skills.

Incorporating yoga and meditation into a student's routine can lead to holistic growth and development, equipping them with valuable tools to thrive academically, emotionally, and physically. In a recent session we had a combination of MSc. Yoga Students and MSc. Clinical Psychology students, in one of the activities, our Yoga students, conducted mini sessions on meditation, focus and breathing for the whole class.

This activity drove two objectives:

1. Optimum utilization of the skill sets in the class
2. Introduction to Yoga and Meditation

The students and faculty involved thoroughly loved this experience.

NATIONAL LEVEL RESEARCH PAPER PRESENTATION COMPETITION

Happy to share with you all that our Second Year B.Ed. student of School of Education Snehal Vengurlekar Won 1st Prize (Cash prize) and Asst. Professor. Anagha Mahajan won 3rd Prize in the National Level Research Paper Presentation Competition organized by Adarsha Comprehensive College of Education and Research.

ONE STEP FORWARD TOWARDS THE PROFESSION!

We are happy to announce that our B.Ed. and M.Ed. students from the School of Education, MIT WPU successfully qualified CTET 2023 exam.

SY B. Ed - Sanchari Chakrabarti, Abhishek Urhekar, Priyanka Kumari, Archana Jadhav, Nidhi Singh, Mania Sengupta, Acshah Varghese.

FY B. Ed - Virsen Singh

SY M. Ed - Manjushree Mahanta, Vijayshree Sahoo, Tejaswani Singh

Congratulations to the students for their Success!!

GETTING CONNECTED WITH SOCIAL RESPONSIBILITY – ENLARGING THE VISION OF RURAL IMMERSION PROGRAM

Students of School of Education visited Kule Village for Rural Immersion Program in January 2023. Our First Year M.Ed. student Sampada Joshi visited the Library of Secondary School in Kule Village and donated the Story and Language games for Village school children. She is visiting Kule village once a week after our rural immersion program and conducting Spoken English classes for std 8th - 10th for one hour every week. Principal Mr. Kedari Sir and other School authorities have extended their support and cooperation for this purpose. We are happy that our students are enlarging the vision of Executive President Shree Rahul Karad sir about sensitizing the youth for Social Responsibilities and helping in solving the Social Problems.

MIT-WPU Prodigies

Employees of The Month

Mr. Nitin Jadhav

EP Secretariat - Confederation of
Indian Private Universities (CIPU)

Nitin Jadhav has been consistent towards reaching out to the Private Universities and Vice Chancellors' offices in those Universities for scheduling meetings with the Director General and he has also been diligently following up with the external vendor and internal teams for the new website creation. He is very prompt in work, and committed, dedicated, showing potential for future responsibilities and most importantly and trustworthy resource.

Mr. Sudhakar Sutar

Admissions (Div-II)

Sudhakar Sutar is self-motivated, disciplined, honest, and has leadership qualities with an exceptional eye for detail. His significant contributions to the complex eligibility process have been remarkable, completing 93% of the 2023-24 admissions cycle ahead of schedule. He interacts with students and parents with humility and empathy, maintaining professionalism. He also completed 100% of the scholarship and student insurance work for MIT-WPU and resolved all SPPU student queries under the Assistant Registrar's guidance.

Mrs. Trupti Patil

IT - System & Applications

Mrs. Trupti Patil, an IT engineer, supported end users on the Admission Module in the WordPro ERP system for the AY 2024-25 admissions, handling an overflow of 2500+ cases. She streamlined admission processes and resolved user concerns. Her support included handling NPF CRM queries, resolving merit generation issues, managing roles and access, and coordinating vendor bug fixes and new requirements. He has also received appreciation from the Associate Director of Admissions for quick turnaround time.

Ms. Archana Khorgade

DIV-3 Program Office

Ms. Archana Khorgade is an invaluable asset to the School of Sciences and Environmental Studies, excelling in admissions, timetable management, student assistance, and department administration. Her quick adaptation to software and eagerness to learn are commendable. Her dedication and skills streamlined operations, and she has provided exceptional support to the School. Her commitment to continuous improvement and professionalism enhances efficiency. Her positive attitude and collaborative spirit are greatly appreciated, particularly during the odd semester result declaration, where she completed transitions from TCSiON to WordPro.

Path to Peace

EXPLORING THE PATH TO GLOBAL PERSPECTIVES, PEACE, AND HARMONY:

MA IN PEACE AND CONFLICT MANAGEMENT

The Department of Peace Studies at MIT World Peace University introduces a new course Master of Arts in Peace and Conflict Management, which stands with the amalgamation of Indian and Western discourse of Peace, examines developments and debates around the conflict and practical action in an increasingly complex and turbulent world. At the heart of M.A. programme is the commitment to understanding the intricate dynamics of conflict and the multifaceted approaches to resolving and managing incompatibilities.

The curriculum is designed to be both rigorous and interdisciplinary in theories and practices. This holistic approach equips our students with the analytical tools and practical skills needed to address conflicts at all levels—from interpersonal disputes to international conflicts. The Course cover topics such as conflict resolution, peacebuilding strategies, human rights, diplomacy, negotiations, and international law, ensuring a well-rounded education.

Our faculty comprises leading scholars and practitioners in the field, bringing a wealth of knowledge and experience to the classroom. They are dedicated to mentoring students, and fostering a collaborative and supportive learning environment that encourages critical thinking and innovative solutions.

Graduates of the MA in Peace and Conflict Management programme will be prepared to become leaders in a variety of fields, including international organizations, non-governmental organizations, government agencies, and academia. They will develop with our programme not only with a deep understanding of conflict and peace but also with the passion and skills to make a tangible difference in the world.

MR AKASH HOMKAR

Mr. Akash Homkar, Assistant Professor in the Department of Wellness & Yogic Science, was invited as a Corporate Yoga Expert to deliver workshops and sessions at KPMG for their employees. His talk on “Physical Intelligence in Ancient Indian Texts” received high praise from delegates and researchers.

As an industry expert, he has also conducted lectures and desktop yoga sessions for Union Bank under their SWAR-Program (Supporting Wellness & Resilience). Recently, he was invited to deliver corporate yoga sessions at HCL, Asian Paints, WIRTGEN, Lear Corporation, and Geodis. His talk on “Workplace Health Management and Fitness Mantras” for Construction Engineers @Madhure Infra was appreciated by attendees.

Mr. Homkar has specially designed a Corporate Yoga Module to enhance employee well-being at the desk, incorporating physical exercises, breathing techniques, ergonomic guidelines, and mindful-meditation practices. As a Corporate Yoga Consultant, he has conducted sessions at KPIT, Multiversity, Accenture, Edward India, Bramasol, IBM, CITI Bank, ABBOTT, PwC, Calsoft, Clairvoyant, Synechron, SVC Bank, Pune Airport, Maxlife Insurance, Airworks India, Schindler Lifts, KPMG, Union Bank, CIPLA, and more.

Considering the increasing demand in the industry, the Department of Wellness & Yogic Science, along with Mr. Akash and M.Sc. Yoga students, plans to extend such initiatives professionally with specially designed modules in the corporate and wellness fields.

Painting with words

BHARAT KI BAAT YOGA

A Legacy of Bharat's Wisdom

Yoga is an ancient practice that originated in Prachin Bharat. The word "yoga" comes from the Sanskrit root "yuj" which means "to yoke" or "to unite," reflecting yoga's purpose of integrating the body, mind, and spirit. The earliest mentions of yoga are found in the Rig Veda, a collection of sacred texts dating back to Ancient times. These vedic writings discuss yoga's contemplative roots and connection to Brahman - the metaphysical concept of the divine consciousness or cosmic energy pervading the universe.

Around the 2nd century BCE, yoga gurus began compiling key principles into the foundational yoga philosophy known as the Yoga Sutras authored by the sage Patanjali. This systematic work defined the eight limbs of yoga: ethical disciplines, physical postures, breathing practices, concentration, meditation, and a state of spiritual absorption.

Over many centuries, yogic philosophy and practice evolved through various schools and traditions including bhakti yoga (devotional), jnana yoga (knowledge), karma yoga (action/service), and the most widely embraced style today - hatha yoga, which emphasizes physical asanas (postures) and pranayama (breath control exercises).

In the early 20th century, yoga traveled west when influential gurus like Swami Vivekananda sparked interest by lecturing about yoga's ancient teachings at the 1893 World Parliament of Religions in Chicago. Modern yoga boomed in the 1960s-70s from pioneers like B.K.S. Iyengar and Pattabhi Jois who popularized dynamic yoga styles for exercise and well-being.

आधुनिक काळात 'खरा योग' काय आहे?

मुळात सुरुवात इथून होते कि, 'योगा' हा मूळ शब्द नसून 'योग' हा मूळ शब्द आहे, जो आजकालच्या इंग्रजी भाषेतील स्पेलिंग मुळे चुकीचा उच्चारला जातो. आजकाल 'योग' हे घरगुती नाव बनले आहे, आधुनिक काळात प्रचंड प्रमाणात डिजिटल मीडिया उपलब्ध असल्यामुळे खोलात जाऊन योग म्हणजे नेमकं काय याचा शोध घेणं आवश्यक आहे. योग आणि योगासनांचा प्राचीन काळापासून ते आजतागयत झालेला प्रवास हा विकसनशील आणि सर्वांशी जुळवून व सामावून घेणारा आहे. ह्या प्रवासा दरम्यान, योग, बऱ्यापैकी संस्कृती आणि तत्त्वज्ञान यांच्यासोबत सांगड घालून चालताना दिसतो. एकंदरीत खरा योग हा शरीर, मन आणि आत्मा यांच्या समग्र एकात्मतेसाठी उपयुक्त असलेला गहन सराव आहे.

खऱ्या योग चे सार:

खरा योग हा निव्वळ शारीरिक व्यायाम नसून नैतिक, मानसिक आणि आध्यात्मिक परिमाणांचा समावेश असलेली बहुआयामी शिस्त आहे. खऱ्या योग चे सार अष्टांग योगाच्या माध्यमातून समजले जाऊ शकते, योग सूत्रांमध्ये पतंजली ऋषींनी वर्णन केले आहे:

१. यमः नैतिक शिस्त किंवा प्रतिबंध, जसे की अहिंसा (अहिंसा), सत्यता (सत्य), आणि गैर-निराशा (परिग्रह).
२. नियमः स्वच्छता, समाधान (संतोष) आणि स्वयं-अभ्यास (स्वाध्याय).
३. आसनः लवचिकता, सामर्थ्य आणि शारीरिक जागरूकता वाढविणाऱ्या शारीरिक मुद्रा.
४. प्राणायामः श्वास नियंत्रणाचे तंत्र जे जीवन शक्ती (प्राण) वाढवतात आणि ऊर्जा प्रवाहाला नियंत्रित करतात.
५. प्रत्याहाराः अंतर्बाह्य लक्ष केंद्रित करण्यास आणि बाह्य विचलनापासून अलिप्त होण्यास प्रोत्साहन देणे.
६. धारणाः एकाग्रता, मनाला एकाच बिंदूवर केंद्रित करण्याचा सराव.
७. ध्यानः नियमित ध्यानाने जागरूकतेची सखोल स्थिती निर्माण होते.
८. समाधीः आध्यात्मिक ज्ञानाची अंतिम स्थिती.

तंत्रज्ञान आणि आधुनिक जीवनशैलीची भूमिका

आधुनिक जीवनात तंत्रज्ञानाच्या एकरूपीकरणामुळे योग अधिक सुलभ झाला आहे परंतु आव्हाने देखील आहेत. ऑनलाइन योग क्लासेस आणि सोशल मीडिया मुळे योग व त्याचे नियम सर्वांपर्यंत पोहचणे सुलभ झाले आहे, ज्यामुळे लोकांना कोठूनही सराव करता येतो आणि योग चे शिक्षण घेता येते. सरावाची तीव्रता आणि सातत्य यथाशक्ती करणे कधीही उत्तमच !!

खऱ्या योग चा उत्तमोत्तम सराव राखण्यासाठी, अभ्यासकांनी योग चे जाणकार प्रशिक्षक शोधणे महत्वाचे आहे. याव्यतिरिक्त, समविचारी व्यक्तींच्या समुहा सोबत संलग्न होणे, व्हाट्सअप, फेसबुक, इ. सोशल मीडिया प्लॅटफॉर्म च्या माध्यमातून ग्रुप तयार करून योग संबंधी महत्वाच्या गोष्टींविषयी चर्चा, समर्थन आणि प्रोत्साहन करत राहणे गरजेचे आहे.

- Kunal Marathe

Assistant Registrar (Policy & Procedure)

Your Living

Dear Esteemed Readers,

At MIT-WPU, I am deeply inspired by the commitment to holistic development, where the essence of Yoga and Mental Well-being is interwoven into the fabric of our academic and personal lives. It fills me with immense pride to witness the harmonious balance of mind, body, and spirit that thrives within these walls. Here, students and faculty aren't merely scholars; they are seekers, nurturing their inner peace and well-being while pursuing academic excellence.

I see students practising yoga in serene corners of our campus, their faces reflecting tranquillity, their minds focused and calm. I hear soothing discussions in wellness workshops, where traditional wisdom meets modern insights, fostering a culture of mindfulness and mental clarity. The tireless efforts of our wellness coaches and professors, guiding these young minds toward a balanced life, fill me with admiration.

There are hurdles, of course. Moments of stress and anxiety are inevitable. But here's what truly inspires me: your resilience. You embrace these challenges, learn from them, and with unwavering determination, find your equilibrium once more.

Mindfulness is the seed of mental well-being. Never stop exploring your inner self, and never shy away from seeking balance in all aspects of life. Keep inspiring, keep guiding, and together, let's make MIT-WPU synonymous with holistic wellness and mental clarity.

Together, we are a community of balance and peace. Let Yoga and Mental Well-being continue to be the cornerstone of the MIT-WPU legacy.
