

EMPOWERING WOMEN
IN ENGINEERING.

Ananya Shimpi

was selected as a winner
of the **Pratibha Excellence
Award by Eaton.**
(Third year B.Tech CSE)

A national initiative celebrating
exceptional women engineers across
India.

The journey started
with over 40 MIT-WPU
engineering students.

After multiple rounds,
only 16 students nationwide
earned this prestigious award.

**Guided by Dr. Jayshree
Ghorpade-Aher,**

this accomplishment highlights
creativity, dedication, and the
growing strength of women
leading the way in engineering.
